10.1111/j.1365-294X.2004.02120.x This review is written to encourage APCP members to read this special edition of May 2012's Children and Society's journal. It describes the context of our practice from a UK policy and international perspective. As paediatric physiotherapists, we have a unique perspective on the lived experiences of disabled children and young people. Journal Special Edition review: Children & Society Volume ... DOI:
