Books Microeconomics: A Very
Short Introduction (Very Short ... In
this Very Short Introduction,
Avinash Dixit argues that the
microeconomy has a large impact
on the economic world, arguably as
much as the issues of
macroeconomics. Dixit steers a
clear path through the huge

number of issues related to microeconomics, explaining what happens when things go well, as well as showing how they fail, why that happens, and what can be done about it. Microeconomics: A Very Short Introduction (Very Short ... Microeconomics: A Very Short Introduction argues that the microeconomy has a large impact on the economic world. Using real-life examples from around the world, this VSI provides insights into economics from psychology and sociology to explain economic behaviour and rational choice. Less. Microeconomics — individuals' choices of where to live and work, how much to save, what to buy, and firms' decisions about location, hiring, firing, and investment — involves issues that concern us on a
