A Practical ... Public Schools. Every state has a public school system to provide free education to every child. Public schools are government-run schools regulated by federal, state and local law. However, with a free education often come numerous legal issues that parents should consider when sending their children to public schools. Public School Governance Public School - FindLaw If the school district can provide a free and appropriate education for that child within the public school system, the school district does not need to transfer the child to a private school. What happens when a child with an IEP transfers to a new school? Transferring to a new school in the same school district does not
