pathways, including specialising in selected regions (Europe, Africa, MENA, Asia, or Latin America and the Caribbean), with opportunities for selected study visits, or take thematic specialisms including international governance, modern diplomacy, security studies, or political violence and ... International Relations and Security Studies The publication of Buzan and Hansen's *The Evolution of International Security Studies* (2009) and engagements with it in *Security Dialogue* (2010) highlight that (international) security studies–(I)SS3–is again, or still, reflecting on its origins and debating how best to study its central concept. For Buzan and Hansen, as for others, the story of (I)SS as a sub- discipline–a story we argue below is myth4–is told chronologically through an evolutionary metaphor. *The Evolution of International Security Studies and The United Nations Security Council Chamber in New York*, also known as the Norwegian Room Security studies, also known as international security studies, is traditionally held to be an academic sub-field of the wider discipline of international relations. Security studies - Wikipedia The Marshall Center's College of International and Security Studies offers 11 resident courses that examine transnational, regional and international security issues.
