... Music Of Life Label | Releases | Discogs Music is not limited to one aspect of life; according to the author, it is life – a universal pervasive force that is the key to understanding the world around us and our role in it. The author talks about the sound of the abstract, which is referred to in the Vedas as

anahad or unlimited sound. The Music of Life by Hazrat Inayat Khan - Goodreads K-Gr 3—A well-researched, fascinating account of the father of modern-day pianos. Bartolomeo Cristofori was a talented 17th-century inventor born in Padua, Italy, who loved the light and powerful sounds of the clavichord and the harpsichord. He longed to create an instrument that married both of these kinds of notes.
